Finished Family Service

THIS is the complete service for the entire family—nothing left for you to do but to untie the package and put the goods away.

WE first do your bundle by our Rough Dry method at our regular Rough Dry price.

THEN we pick out the starched pieces and iron these. We charge for this by the hour.

OUR ironers use twenty-five pound drag-irons and large steam-heated garment presses wherever practical. The work is done so speedily that the charge is brought quite low.

YOUR flat-work has already been ironed in the Rough Dry, and your soft goods are Tumbled so that they are ready to wear, thus the ironing of the starched pieces makes a complete service.
